EXPERIENCE

Junior Web Developer
Microgenn Software Solutions

📅 Nov 2022 – Apr 2024

- **CRS** - Developed and maintained a fully functional central reservation system application using **React.js**, **PHP (CodeIgniter framework)**, and **MSSQL** database, resulting in improved efficiency and streamlined reservation processes.
- **GSTZEN** - Successfully integrated the third-party GSTzen API into the front-office hotel billing application, streamlining the invoice process and reducing the need for manual entry, resulting in a 50% reduction in time spent on invoice creation and submission.
- **SMS** - Utilized **React js** for the front-end panel development to enhance user experience and ensure smooth interaction.
- **SMS** - Leveraged **PHP** and **CodeIgniter** framework to build a robust and scalable REST API for seamless communication with the WhatsApp Business API to notify the customers about their room bookings.
- **FrontOffice** - Developed and incorporated new completely functioning features to the front office web application, such as comprehensive reservation, amendment, reservation inquiry and cancellation, check-in, payments and related reports and receipts.
- **POS** - Developed Reports for a robust point-of-sale management web application using the **React Js** and **REST API**, ensuring efficient and secure data processing.
- **MUSERS** - Engineered a user rights module with **React.js** and **REST API** in the CodeIgniter framework, facilitating seamless user authorization processes and leveraging an **MSSQL** database for robust data storage and retrieval.
- **Bar Management System** - Designed and Developed fully function management system for a robust bar management web application using the **React Js** and **REST API**, ensuring efficient and secure data processing.

PERSONAL PROJECTS

Meetup App
react js, firebase,formik, bootstrap 5

📅 March 2023 – May 2023

- Developed a Meetup app using React, and Firebase, enabling real-time functionality among event attendees.

EDUCATION

BE Electronics and Communication
KGiSL Institute of Technology

📅 July 2016 – May 2020   CGPA : 7.20

SKILLS

- React JS
- PHP - CodeIgniter
- Node js
- Express js
- HTML 5
- CSS 3
- Bootstrap 5
- Tailwind css
- Javascript
- MS SQL (Version 2014,2019)
- Mongo DB
- GIT

CERTIFICATION

- The MERN Full Stack Development - Udemy   2024
- React: The Complete Guide 2023 Ed (Incl. React Router & Redux) - Udemy   2023
- The Ultimate MySQL Bootcamp: Go from SQL Beginner to Expert - Udemy   2023

INTERNSHIP

- Completed full stack web development with Python Django framework in Appin Technology at Coimbatore   Jun-Sep 2022
